DIRECTIONS

 Scars	<p>Please draw a zig-zag over areas where you have scars, even if they are very old or difficult to see. Don't forget C-sections, episiotomies, vaccination scars, surgeries, body piercings, tattoos, cosmetic surgeries, vasectomies etc. Please note the approximate age you were when you got each scar.</p>
 Surgery	<p>Please circle the location of any surgeries, including exploratory surgeries, laparoscopies etc. Please write the year of the surgery on the drawing.</p>
 Internal Metal	<p>Please put a square around any internal metal objects, such as surgical pins, metal plates, hip replacements etc.</p>
